2015-2016 Tuition Charge
Students in the Part-Time Master’s Program are charged on a per course basis. The tuition rate for the 2015-2016 academic year (Fall 2015, and Winter, Spring and Summer Quarters 2016) is $5,292 per course. If you are taking 2 courses per academic quarter your tuition charge per quarter will be $10,584 for the 2015-2016 academic year.

Please note: The tuition rate will be updated April 2016 for your remaining quarters in the program.

As a student in the Part-Time Masters Program, you have the option of taking 1 or 2 classes per quarter. You MUST be enrolled in at least 2 classes to borrow Federal Financial Aid. If at any time your enrollment status changes, please contact the Office of Graduate Admissions and Financial Aid office as soon as possible because this will affect federal financial aid eligibility.

Medill does not award merit scholarships or merit/need based grants to students enrolling in the part-time IMC program. Students who apply for federal financial aid should expect to be offered the Federal Direct Stafford and Graduate PLUS Loan. Please visit the U.S. Department of Education’s website, studentloans.gov to learn more about the Federal Direct Loan Program. We award federal loans to meet the tuition charge. If a student wants to borrow additional financial aid to meet all or a portion of the Cost of Attendance, please state on the Medill Financial Aid Application.
